### CRS: Haiti Special Report/Update!

As the news coverage about a devastated Port au Prince, Haiti, may be on the decline, your active interest & support of CRS/Caritas Haiti recovery effort is not. Thank you again for that and all that you do to keep the people of Haiti in the forefront of your prayers!

The following is the **latest update** on how CRS and the Catholic Community in the US are responding to the needs of the Haitians. And, thank you for all you do to support our brothers and sisters in need around the world.

Sincerely, Joan Rosenhauer,

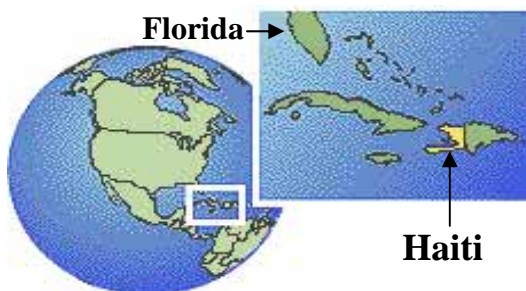

Executive VP for US Operations, CRS

**3 Month Update:** Three months after the 7.1 magnitude Earthquake tore the heart of Haiti and family life, **Catholic Relief Service's** emergency relief operations have reached more than 720,000 people living in the epicenter of unimaginable loss. Across Port au Prince and outlying areas, CRS supplies of food, water, shelter and medical care have helped people survive this catastrophe and gain their footing for the long road ahead.

CRS's objective is not merely to restore pre-earthquake standards but to rebuild people's lives and communities so Haitians have means to achieve an even greater quality of life than they had before. Thanks to you parishioners, we have made an excellent start.

Reconstruction and recovery will require many years and we are prepared for the significant challenges ahead. CRS is fortunate to have a history of more than 50 years in Haiti, allowing us to build upon deep relationships, contextual experience and a network of trusted partners. By your support of CRS programs you are giving Haitians and others who suffer in the world a hope for tomorrow.

For more information, visit: [www.crs.org](http://www.crs.org).

### Reflect On This ...

Next Sunday, **May 9, is Mother's Day!** Just one day of the year that we, as a nation, recognize and celebrate the role of mothers in our life. Be it our own biological mother, others who have played a key role as a mother figure to us, or our heavenly Mother Mary—we are appreciative for their love, care, sacrifice and intercession.

But, why is it only one day that we remember "Moms" and say Thank you? We can now better prepare how to honor mother. Don't wait until the last minute to do something nice for mom. After all moms work 24/7 in selflessness for US. Let us remember all moms in our prayers this week and every day?! — **Joe Soncrant**

**"There is a tremendous strength that is growing in the world through ... sharing together, praying together, suffering together and working together." - Mother Teresa**

### Embrace the Talent of People with Disabilities

People with special abilities bring unique life experiences, skills, strength and other perspectives, all of which positively impact the diversity and quality of services provided by religious and nonprofit organizations. People with disabilities come in many ages, cultures, economic statuses and genders. Organizations will be positively changed when we encourage folks to take a leadership role too! Whatever our role is in society, let us not ignore the gifts that people with disabilities have to share.

Last Meeting 2009-2010

## St. Andrew Youth Group!

As I sit and stare ...at our new addition I think back to last Sunday's special guest, Larry Scott, who spoke about his niece, Rachael Scott, who was the first victim of the Columbine Massacre. His moving talk to our members and future members really struck a cord with me...maybe because I am the father of a daughter now. But we celebrated Rachael's life and the gifts that she has left the world. Her challenges to start chain reactions of kindness, her challenges to extend yourself to serve others, to tell a loved one how much you love them because there is no better day than today, and there might not be a tomorrow. We are in the planning stages of future events with Rachael's Challenge for the 2010-2011 school year. Stay tuned...

**Glennie River Tubing!** We would like to thank Kevin at Alcona Canoe Rentals & Campground in Glennie, MI. ### TEENS YOU SHOULD KNOW!

I cannot do this alone folks! There are over 1,400 members of St. Andrew that could qualify as a teen. I don't know them all and need your help. Email me with a suggestion for a teen we should all know.

**The End....** Can you believe that we are already talking about Mother's Day, prom, and graduation?! The best part is we are talking about SUMMER!!! With the good news comes some bad and the bad news here is the first Sunday of May is our last meeting of the year. We will go out the same way we kicked off...with fire. We will also be grill'in dogs and burgers so come hungry. Come and say good-bye....for the summer.

**We meet tonight at 6 pm**  
**Bring a friend and say good-bye**
