Confirmation FAQ

- When is Confirmation?** – There will be 2 masses sometime in late October or November, most likely on a Saturday afternoon. The Archdiocese will not confirm our actual day and time until the summer.
- What is a mentor?** – Every student has been assigned a volunteer from the parish who will be their guide through the Confirmation process. **They are required to meet with their mentor after each "Witness Night" meeting.** The mentor will provide 2 options for meeting times. Mentors may choose to meet with several students at once. All mentors are and have complete at criminal background check.
- What about service projects?** – Every student is expected to complete a service project and make a video/powerpoint reflection about their project. This will be explained at our May Witness Night and in Chapter 3 of their Student Journal. However, students are welcome and encouraged to do their project now. Please, however, take some pictures that you can use for your video/powerpoint.
- How do we choose a sponsor?** – You will be given a booklet about choosing a sponsor for confirmation. The candidates must choose a sponsor by September.
- Do they students choose a Confirmation name?** – The students will be asked to consider a name for Confirmation during the process. They may choose to keep their baptismal name, or choose another name that has Christian significance (saint's name, name of someone in their life who is a disciple, etc).
