

ST.ANDREW FAITH FORMATION

Registration 2020-21

JESUS – LIGHT IN THE DARKNESS

WELCOME to another year of faith sharing, where we will encounter and grow with Jesus by witnessing his love through stories and prayer. In uncertain times such as these, it is especially important to stay connected to Jesus, our light in times of darkness. Our program will be a little different this fall, fraught with change, as we journey through uncharted waters, so please bear with us. Our goal is to provide in-person formation **if it is safe to do so**. We will also offer virtual learning for families who are not comfortable with in-person instruction. Virtual sessions can be viewed at the family's convenience. In the event that it is not safe to gather in person, all classes will shift to a virtual learning format.

HOW TO REGISTER:

Step 1: Please review all the information provided on the following page and decide what day works best for your family.
