

ST. ANDREW LECTOR SCHEDULE
Summer 2020

Lectors: Please check the schedule carefully. Remember to find your own sub if you are not available on the date assigned. Also, please notify the parish office in advance so that the secretary will have the appropriate information for the binder.

Also, please review Nikki's guidelines for lectors while we are keeping social distances at Mass. Thank you for being a lector!

SPECIAL DIRECTIONS FOR THIS SUMMER: --

You will notice new "codes" on the schedule:

na—not on the schedule this summer, not available to sub

yes—assigned to lector—including reader and both lector positions. If you can't come, you should call the "assigned sub" to make sure he/she knows that he/she is needed. If the assigned sub isn't available, please continue calling until you find someone. Remember to let the office know in advance if a substitute is serving.

sub—Please be "on deck" and attend the mass in case the assigned lector has a last minute conflict. Let the Mass Coordinator know that you are there.

If the scheduled lector knows he/she cannot attend, he/she should call you in advance. If neither of you can attend, the assigned lector should find another sub if he/she has a conflict.

**You may want to review the readings just in case. If the assigned lector reads as scheduled, you don't need to do anything during Mass.

**If a sub has a conflict with the schedule, please check a few days ahead to make sure the assigned lector will attend. Then, if you can't go, you don't need to find a replacement.

Just a suggestion--the assigned lector and substitute lector may want to email or text in advance, just to make sure the Mass is covered. That would help avoid last minute confusion at church.

For 10:00 Sunday Mass, see note on p. 3 and wait for further information from Nikki.

Thanks so much for your cooperation and understanding as we try this new system. Please let me know if you have any questions about the schedule.

To contact Anne Albertus with any requests for the Sept-Oct-Nov schedule, you may call 248-709-6897 or email anne.albertus@gmail.com. Thank you!
