Moving St. Andrew Catholic Community closer to
Jesus Christ through growing in
Faith, Service and Welcoming.
Parish Mission Statement

On the Journey

+In writing to the Romans, St. Paul says that the *one who loves another has fulfilled the law*. He is reiterating the teaching of Christ, indeed, his *greatest commandment*. The commandment to love – inclusive of one another, oneself, and God – is found in all four of the Gospels.

Jesus is the love of God made flesh. He came *out of love for love*. He came to save us, to make us whole again, to make us holy. The love that Jesus commands, and that Jesus lives, is not a set of warm or fuzzy feelings. It is a profound willing of our good, and a selfless desire that we be who we are made to be.

This is the love we also are commanded to live. We are asked to will – to want, to seek, to make happen – the good of those God puts around us. This is not always easy, and it is not always pleasant. We see examples of this in both the reading from Ezekiel and in our gospel from Matthew.

The Lord tells the prophet Ezekiel that he will be held responsible for the death of the wicked if he does not *speak out to dissuade* him. In the Gospel, then, Jesus gives instructions on how we should correct those who sin against us; how to raise our voices against wickedness, speaking out and speaking up when we see others living apart from God. To do so is to love, and it is a commandment.

Yet, before this clarion call leads us too far, we must remember what is perhaps the most uncomfortable reality of this law of love. Jesus makes it clear that we are not asked to do this from afar – like from behind computer screens or behind backs – but one-on-one at first and face to face when possible. We are called to be in relationship – to know of this sin in the first place because it is “against us” -because we are close.

Call it tough love, accountability, charitable or fraternal correction, or even speaking the truth in love, as St. Paul says elsewhere (Ephesians 4:15). It is a love that truly desires the good of the other, and will intervene out of love for the sake of another’s salvation – just as the Father did in sending his Son.

Ultimately, the one who chooses evil over good has forged his own path toward death. But in following the command to love one another, we can help others find the path toward life. And Christ, who is present in the Eucharist, gives us the grace to do just that. So let us be responsive to our baptismal calling to love by *unleashing the Gospel* each and every day of our lives and putting it into a loving practice in our dealings with each other!

+**Happy Labor Day weekend** to everyone! May the gift of work in our lives contribute to the good of not only ourselves and our families, but to the overall well-being of society. Mass on Monday will be at its usual time, 9 a.m. However, after

On The Journey (continued from page 1)

mass, the church will be cleaned and locked, so we can give the maintenance crew some time to rest and relax on the holiday!

+Speaking of daily mass, I just ask that everyone be careful in the parking lot, especially during this time when the students for HFRS are not able to arrive on a bus, but must be dropped off in parents' automobiles. Please no speeding in the parking lots, or down one of the streets that leads to our property; we have already had complaints from the neighbors! Safety is important for all of us, so please follow the directions set up for use of the lots, for mass as well as for school drop-off/pick-up.

+Speaking of students, we will have another celebration for groups of students who have been anxiously waiting to make their first Holy Communion next Saturday, September 12, at 10 a.m. and again at 2 p.m. This will probably get us "caught up" on this important milestone of the one of the Sacraments of Initiation for (primarily) our second graders. We welcome you all to the Table of the Lord! May you all grow closer to Jesus through his coming to you in this most special sacrament!

+As we progress with our 2020 CSA efforts, many received a letter from Archbishop Vigneron this past week (or if not, probably in the coming week), regarding the appeal. Remember, we as a parish opted to start our appeal with our own letter and brochure (since it was virtually ready to go back at the end of March), and then take advantage of ONE of the mailings from the Archdiocese as a follow-up. So far, we have received donations/pledges of \$247,838 against our target of \$302,657. First, it would be great if we could meet our goal in the next week or two, so we can move into what I like to refer to as the "bonus round," where all collected funds over the target will be used to help pay for our new building additions and campus upgrades. To those who have already given, I offer my sincere, prayerful gratitude! If you have not yet made your commitment, please consider joining us in supporting our parish with all the work that has been done! God bless all of you!

+Since some parishioners have asked me to clarify the matters, let me try to do so briefly here in my article. Some individuals between 1986 and 1999 were "incorrectly" baptized by Deacon Mark Springer of the archdiocese (he was stationed at St. Anastasia Parish) because of the wording that was used in the celebration of Baptism. Only recently – because of the case of Fr. Matthew Hood – has this come to light. (His situation and the corrective journey Fr. Matt had to take were made known in the papers and various newscasts.) It is too complex to go through all the details here, but if anyone now at St. Andrew had "attempted" to be baptized by Deacon Mark Springer between 1986 through 1999, or "attempted" to be married or confirmed by Fr. Matthew Hood in the last few years (prior to August 17, 2020), please contact either Fr. Craig or myself to help review your situation and see if there is any "corrective" actions that need to take place.

+I continue to thank you all very much for your prayers and other support during my illness/time of rehabilitation these past months! While I am still not back 100%, I have been able to carry on with a good amount of my regular work load, including even doing noon mass last Sunday! Please continue with your prayers, as the doctors have yet to decide what the next course of action will be for me!

+Through the intercession of Our Lady, her mother and our Detroit patroness, St. Anne, and Blessed Solanus Casey, may we come to experience safety and good health from the pandemic that confronts us all – and may it come to a conclusion in our world! God bless and keep you in the palms of his hands! Looking forward to seeing you more in the coming weeks!

-Msgr. Mike (with thoughts from
FAITH Catholic Publishing)

Attention Daily Mass Attendees

Beginning September 11, one class from Holy Family Regional School will be attending the Friday daily Mass and helping to lead us in prayer. This will be a change from previous years and is partially in response to changes made with the school schedule in light of the Coronavirus. The north campus will be attending every other week. On the weeks that Holy Family students are with us, the school will have reserved seating on the organ side of the Church. Parishioners attending daily Mass are asked to sit on the baptismal font side.

4 Worship

Prayer to Overcome Racism

Mary, friend and mother to all, through your Son,
God has found a way to unite himself to every human being,
called to be one people, sisters and brothers to each other.

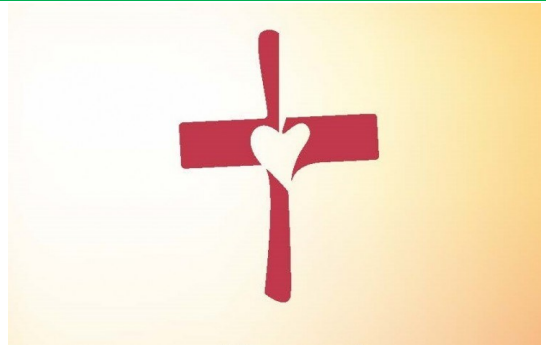

We ask for your help in calling on your Son,
seeking forgiveness for the times when
we have failed to love and respect one another.

We ask for your help in obtaining from your Son
the grace we need to overcome the evil of racism and to build a just society.

We ask for your help in following your Son,
so that prejudice and animosity will no longer infect our minds or hearts,
but will be replaced with a love that respects the dignity of each person.

Mother of the Church, the Spirit of your Son Jesus warms our hearts: pray for us.
Amen.

Saint of the Day

Saint Peter Claver September 9

A native of Spain, St. Peter Claver was a Jesuit missionary who spent his life in the service of African slaves brought against their will to South America during the 17th century. Born into a farming family in the Spanish region of Catalonia during 1581, he studied at the University of Barcelona, and joined the Jesuits as a novice at the age of 20 eventually ordained as a priest.

In 1610, Peter Claver arrived in Cartagena, a port city in present-day Colombia. Cartagena was a chief center for slave trade. Ten thousand slaves poured into the port each year. Although the practice of slave-trading was condemned by Pope Paul III and later labeled “supreme villainy” by Pope Pius IX, it continued to flourish.

Peter was determined to sacrifice his own freedom to bring material aid and eternal salvation to the African slaves, in keeping with his vow to become “the slave of the blacks forever.” The young priest made and kept this resolution despite his own health problems and the language barrier between himself and the population he served.

As soon as a slave ship entered the port, Peter Claver moved into its infested hold to minister to the ill-treated and exhausted passengers giving them medicines, food and water. With the help of interpreters he gave basic instructions and assured his brothers and sisters of their human dignity and God’s love. During the 40 years of his ministry, he instructed and baptized an estimated 300,000 slaves.

Fr. Claver’s apostolate extended beyond his care for slaves. In keeping with his vow of “slavery,” Peter survived on minimal amounts of food and sleep. He preached in the city square, gave missions to sailors and traders as well as country missions, during which he avoided, when possible, the hospitality of the planters and owners and lodged in the slave quarters instead.

After four years of sickness, Claver died on September 8, 1654. Peter Claver was canonized in 1888, and Pope Leo XIII declared him the worldwide patron of missionary work among black slaves.

Back to School

Students are heading back to school. They may be physically present for in-class learning, or meeting with their teacher virtually. The year is certain to bring many challenges. Resources are available to get us through. One such resource is the downloadable “Back to School Care Package” from the Big Life Journal, which can be found at <https://biglifejournal.com/blogs/blog/back-to-school-free-printable-care-package>. It’s full of ideas for calming strategies, time management, feeling connected, and lots more, no matter where your kids will be learning this year.

On this page you will find two other ideas for the start of school. Bless your face masks with a special prayer. Try out the granola bar recipe for a tasty home-made snack. (It’s one of my personal favorites.) And, especially important in these difficult times, keep remembering that God is always walking with us, side by side, through the joys and struggles in our lives.

Blessings, Maureen Schreffler

Blessing for a Face Mask

God of health and wholeness, of love and kindness, bless this mask, my slight shield against great ills. Bless the fabric that repels the drops, the ties that go behind my ears, the wire that fits snugly against my nose, the folds that cup my chin. Make me grateful for my mask even when it makes me hot, even when I look funny, even when I really want to take it off. Bless me also, and everyone who, for their own sake and the sake of others, put on their inconvenience every day, our minds made up to love. Amen.

SEEK THE GRACE TO SAY "YES"

PRAYER FOR GOD'S WILL

Lord Jesus, may I know myself and know Thee.
 And desire nothing save only Thee.
 May I hate myself and love Thee.
 May I do everything for the sake of Thee.
 May I humble myself and exalt Thee.
 May I think of nothing except Thee.
 May I die to myself and live in Thee.
 May I receive whatever happens as from Thee.
 May I banish self and follow Thee.
 And ever desire to follow Thee.
 May I fly from myself and fly to Thee,
 That I may deserve to be defended by Thee.
 May I fear for myself and fear Thee.
 And be among those who are chosen by Thee.
 May I distrust myself and trust in Thee.
 May I be willing to obey on account of Thee.
 May I cling to nothing but to Thee.
 May I be poor for the sake of Thee.
 Look upon me that I may love Thee.
 Call me that I may see Thee.
 And ever and ever enjoy Thee.
 Amen.

Thank you

Thank you to everyone who came out to donate blood with the American Red Cross on August 23rd. Because of your donation we were able to collect 54 pints of blood. Your efforts have helped boost the community blood supply and ensured hospital patients have the lifesaving blood they need.

Special thanks to Carl Gildner for organizing these life-saving events at St. Andrew!

Thank you
to all of the St. Andrew Parishioners who donated their time and money during the month of August to help assemble bagged lunches for the Baldwin Center in Pontiac!

Through your generosity and hard work, we were able to feed hundreds of our hungry neighbors!

While we have had to put the project on hold temporarily, please check the bulletin for updates on how we can safely resume this project!

Neighborhood House is celebrating its 10th annual Scare Away Hunger 5K Run/Walk virtually from October 1st – October 18th!

What is a virtual 5K? This virtual 5K is a race that you complete wherever you would like. A couple of suggested routes in the community will be provided – but you can even participate on your basement treadmill! Between the 1st and the 18th of October, you can run, walk, or jog the distance to complete your run. While we are physically distant, we can remain connected through a community of people striving toward the same goal.

Your support of this event will make it possible to provide food, clothing, emergency financial help, job coaching, budget counseling, short-term mental health counseling, transportation and other self-sustainability programs to thousands of households in Rochester, Rochester Hills, Auburn Hills, Oakland Township, and Addison Township.

SEPTEMBER 2020

This year's Friend's Walk will be all of September. Instead of gathering together on Belle Isle like we have for the past 12 years, this one will be virtual, due to COVID-19. Because of the unprecedented need caused by COVID-19, we chose to have a virtual walk instead of postponing it to 2021. Last year, we joined together in fellowship and raised over \$90,000 to help support the life-changing works of the Society of St. Vincent de Paul Detroit.

During the month of September, we ask that you invite your neighbors and colleagues to take a walk (or walks) in the park to support your neighbors in need. Even though we won't be able to walk alongside one another, we can still walk in solidarity to help those who come to SVDPD everyday find hope and the assistance they need and deserve.

THE GREATNESS OF OUR GOD

This year our theme is, "We Know the Greatness of our God." We are dedicated to recognizing the greatness of God and celebrating what he has done for us. 40 years ago God spoke to parents in our community and told them to gather and provide a Catholic school for his children. They listened and they got to work. They built Holy Family Regional School with Jesus as the foundation. God continues to bless our school and Holy Family family and together we will shout the greatness of God through prayer worship and praise. We stand in awe and wonder... all the honor is yours, Jesus Christ! Yes our God is great!

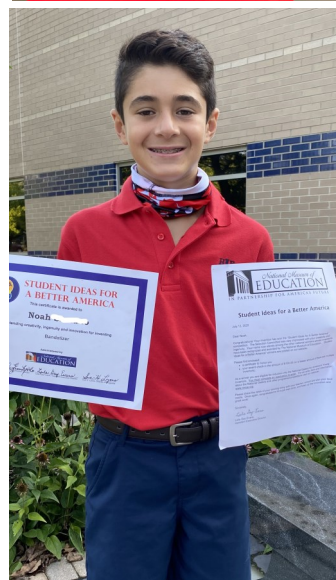

LEARNING ABOUT OUR THEME

Mrs. Marn's first graders spent the week learning about our new school theme "We Know the Greatness of our God." The children enjoyed making and painting crowns to show their love for God.

NATIONAL WINNERS

Last spring, students in our Department of Talent Development participated in on-line learning for Student Ideas for a Better America. We are so proud to learn our school has five national winners! In all the years we have offered this invention class, our school has never had this many students win during one school year.

Congratulations to Sophia T., Isla S., Faith S., Noah S., and Maxim O. (not pictured). Each child received a certificate and \$100.00. The Department of Talent Development provides enrichment programs for students identified as gifted and talented. Students are selected based on standardized achievement test scores, grades, and teacher recommendations. Way to go kids!
