Parish Mission Statement

On the Easter Journey

+Fear is one of the most common of all emotions. We all fall into its grasp from time to time. It can be very real and even cause us to freeze up and not act as we should. The disciples certainly experienced this when Christ appeared in their midst as they were listening to *the two disciples [recount] what had taken place on the way*.

The risen Christ came, offering them reassurance and peace. It is one thing to hear a story about Christ's post-resurrection appearance, it is another to see it with your own eyes. The evangelist does not hold back in describing their fear – even their incredulity. They see Jesus but they immediately think it might be a ghost or a hallucination.

But Jesus will not allow that fear to have the last word. Reassuring them of his real, actual presence, He proves it by the most common of all actions: He invites them to look at his hands and feet, and to touch Him so they will sense the reality of flesh and bones, which a ghost does not have. And then He eats in front of them – something else a ghost would not do. But more than just ameliorating the disciples' fear, Jesus' presence has a triple purpose: to prove his resurrection, to help them understand the fulfilled Scriptures, and to prepare them for their mission before the world.

Jesus calls them witnesses – *martyrs* in Greek – disciples who give all to proclaim the risen Christ. Peter becomes one of the great examples of this change. In our first reading, we saw a different Peter from the Good Friday man who denied Jesus three times. Filled with the truth of the Resurrection and the power of the Spirit, he is the very opposite of fearful. Now he has the courage to stand before those who condemned Jesus – to proclaim Him as the fulfillment of the prophetic promises and to call all to repentance. Saint John matches this powerful message with a reminder to his community of the immensity of Jesus' forgiveness.

So what about us? It is easy in our broken humanity to allow fear and doubt to control us. Yet they must never have the last word: Christ always finds a way to reassure us of the truth and reality of the Resurrection and its offer of life. As believers, we find that reassurance in the sacramental and liturgical life of the Church where the Scriptures are proclaimed and the Spirit is at work. *Here we encounter Christ, the second person of the Holy Trinity*. Here He takes away our fears and doubts and frees us to go out and share the Good News – *unleashing the Gospel* in both word and deed. Jesus has conquered sin and death. The reign of fear is over! What a great gift, what a great blessing we have received!

+As we journey through the Easter season and through Spring, we know it is the time of the year to celebrate first Holy Communion for many of our little ones. They have been preparing for this most special occasion and many are ready to approach the

altar of the Lord and receive Jesus in this most special way! So please keep them in your prayers. The parish will be celebrating with them in four smaller groups for the next two upcoming weekends, Saturday, April 24th at 11 a.m. and 2 p.m., and then again on Saturday, May 1st, also at 11 a.m. and 2 p.m. (There will be no confessions on those particular Saturdays, but you can always call the office and arrange a time should you need to do so.) Other students and their families may be celebrating during the course of the next few months, and we will welcome them to God's table at those times!

+By now, most if not all of you should have received my letter about the upcoming 2021 CSA. Our hope was to get this out to you before the Archdiocese mailing was sent out, explaining the fact that they have decided to handle the campaign for the parishes (especially the many who struggle in doing so.) We've been blessed with great staff and your generosity, so it has not been a real issue for us here at St. Andrew. Our letter was intended to "beat" the AoD letter explaining things, but downtown beat their own deadline and sent their letter before ours.

Anyway....I ask for your continued support of this year's effort. The target is \$347,814, which sounds like a big increase over last year's – but remember that was reduced by 15% due to the pandemic impact on parish activity and collections. So I ask for your great support once again, knowing of not only the assistance to so many Archdiocesan-wide ministries that CSA funds, but that the overage to our target will be directed to paying down our loan balance (which is now just less than \$2M). Your pledge/donation may be sent EITHER to the Archdiocese in the envelope they included in their mailing, or returned directly to OUR PARISH OFFICES in the envelope included in my letter mailing. I thank you for your support, and pray that we have a successful campaign! God bless you for the sacrifice you make and the generosity you offer to our parish family!

+Some have been asking me, so let me explain....Fr. Craig's assignment to us was for just one year, which he will have completed at the end of this June. St. Andrew is certainly looked at as one of the great "training grounds" and experiences for those men more recently ordained and preparing to take over parish leadership roles as administrators and pastors. Hence the change that we are going through with his departure and Fr. Grayson's arrival. (It has not yet been worked out as to how long Fr. Grayson's assignment will be.) Let us keep both of them, and all priests who will be going through the "transfer process" in our prayers. May the good Lord bless them in the sacrifices they make!

+This past Tuesday I had my sixth infusion therapy, which continues to be of much help! I have been approved for two more years of receiving this medicine, so hopefully, I will continue to work back to full health and remission! I thank you all for your continued prayers!

+As we continue our Easter journey, know of my special prayers for all of you. This past week I attended the first "moderators retreat" for two days as we move forward in our plan of forming "Families of Parishes" here in the Archdiocese. I will keep you posted as we – St. Andrew, St. Mary of the Hills, and St. Irenaeus parishes – continue to work together more in this faith experience that will hopefully provide even more opportunities to grow in our relationship with Jesus and build a stronger community here in Rochester/Rochester Hills!

+Let us keep each other in our Easter prayers. Looking forward to seeing more of you – especially at church! But let us remember our continued efforts with keeping safe and healthy during this time of pandemic....wearing masks, washing hands, sanitizing, social distancing. Thanks for your cooperation and support!

Mass Coordinator—Funerals

These individuals are responsible for setting up for funerals and assisting at them as needed. Availability on short notice is helpful. Training is provided. If you are interested in this special ministry, please call the St. Andrew parish office

Everyone loves a wedding . . .

. . .and the St. Andrew wedding ministry is a lovely way to contribute to the St. Andrew community.

St. Andrew wedding coordinators facilitate wedding rehearsals and ceremonies. At rehearsal, they guide the wedding party through the procession, ceremonies during Mass and recessional. On the wedding day, the wedding coordinator's tasks run from setting up the altar (making sure the rings are in place), directing photographers, positioning Kleenex boxes and might even include pinning a few corsages and boutonnieres! The current team of wedding coordinators is in need of a few more members. Plenty of on-the-job training is made available and a few coordinators team up to share responsibilities (and fun)!

If you are interested or have questions, contact Noreen Casciani at 248-763-6084 or ntcasciani@comcast.net

A slightly overdue thank you to all who helped to make the Celebration of Holy Week and Easter so special. Since it is a rather long list, rather than naming individual people, I will highlight the various ministries in which people volunteered.

++++++Thoughts from the Christian Services Coordinator ++++++
"Peace Be with you." Again we find the disciples in fear and in this Lucan account the disciples think they are seeing a ghost. Still Jesus is drawing them out of their fear to transform that into FAITH. In our Christian tradition, Jesus is calling us to be witnesses to faith. The fear in our time, across the globe, is palpable. Be it personal or collective, the crisis we encounter day to day is real. But we can work in the creativity of our Risen Savior to sew love and bring in the new reality he proposed for humanity. Our work in Easter is fresh. Earth Day is this week. It is a reminder that we have an opportunity to realize together in solidarity our shared bond, the womb of our precious earth and to care for it. In that same breadth as we look to new life as we address Climate we turn to those who are bringing new life into this world, perhaps in crisis situations. We care for these precious mothers and children as a community. WE can be witnesses to faith in Christ who overcomes all fear and to know, All things are Possible with God.

On April 22 we celebrate Earth Day with the theme “Restore our Earth.” It was organized in 1970 to address environmental issues. From the beginning, faith communities have recognized the importance of protecting creation, and have supported the movement to do so.

Sadly, the earth is stressed out because of the over- consumption of its resources. After creation, God rested on the 7th day, and the planet needs to rest as well. The earth can heal and repair itself if we allow it to. We can learn from our indigenous communities who live in harmony with the land. Resources are not wasted. Only what is needed is used. The entire planet must adopt greener practices and work together for the good of our common home.

The simple act of less commuter traffic as people work from home during this pandemic has made a difference in our climate. What else can we do to change our habits of consumption? Here are a few other ideas to ponder. We can reduce, reuse, recycle. Use less water, electricity and gas. Purchase foods with less packaging. Pick up trash, especially our own. Buy foods that come from local farms. Support businesses that employ fair production and trade practices. Vote for officials who have the best interest of the planet in mind. Learn more about our climate. Respect nature. Plant a tree. Read Pope Francis’ Encyclical Letter, *Laudato Si*, On Care for our Common Home. There’s much more we can do, but this is a start.

God’s original plan for our planet and all of creation was for it to be a common heritage. It is a gift. We need to keep it in good shape, with enough resources for the generations to come. Earth Day is the perfect time to act to restore the harmony of creation. Let’s begin by praying together Psalm 104:30, “Lord, send forth your Spirit and renew the face of the earth.”

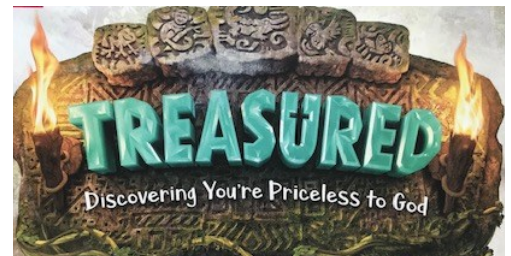

Blessings for a healthier planet,
Maureen Schreffler
Director of Faith Formation
